My head looks huge...
Oh, geez... The humidity is frizzing up my hair

SENPAI, WHAT AMAZING VOLUME IN YOUR HAIR.

Sayuri, good morning.
Ah, good morning, Yoriko-senpai

It's good the rain finally stopped.
Finally a day without rain.

『It's angelic really』

Snail-san.
Crossing roads is dangerous.

Ah, look. A snail is crawling on the path.

Earthworm-san, it's no place for you either
A little too kind...

Yoriko-senpai, she's kind to small animals, too.

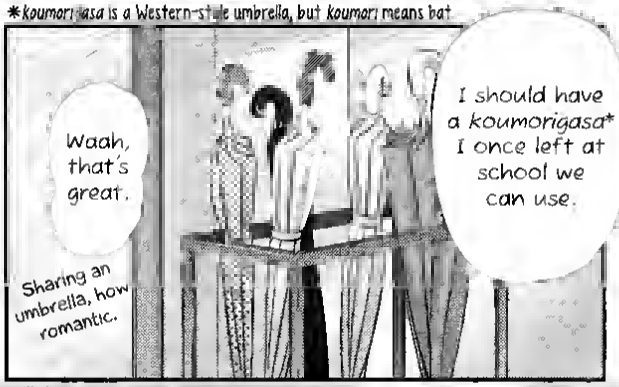
The smell in the air after rain has its charm, right?
It does, indeed
When I smell it, it reminds me of my home-town
Sayuri, you moved here on your own to attend our high school, right?
That's right. So on days like these I get a little homesick.
...I'd like to go there, too, one day.
And smell the stale stench of Sayuri's hometown
THE RUSTIC SMELL IS A VERY NICE ONE...!

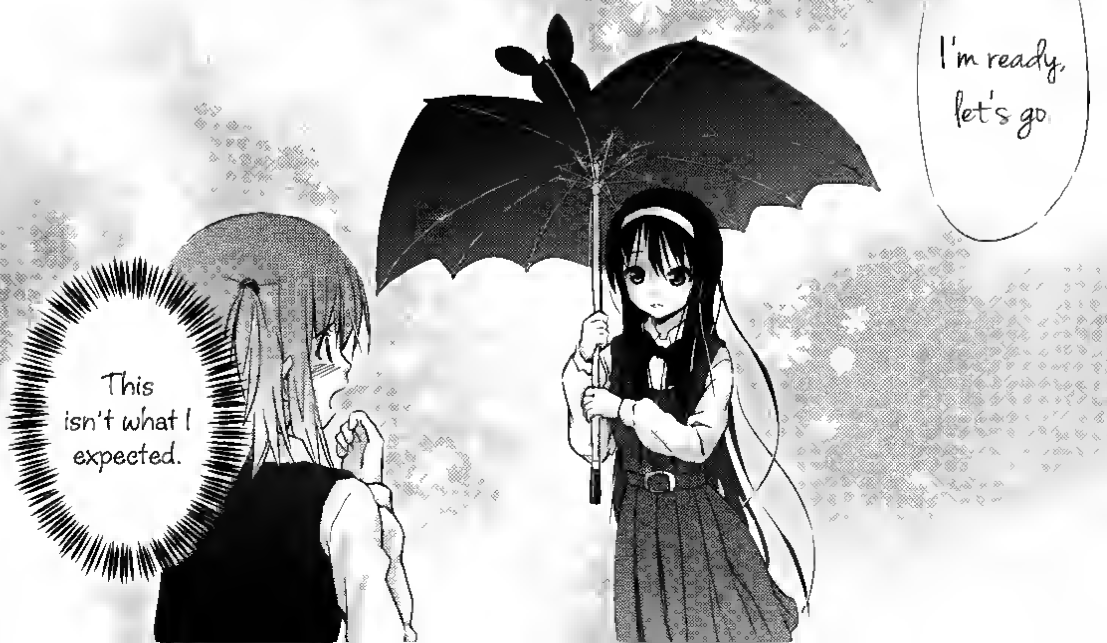
『Living Large』
Out-side? It's been a while.
Where shall we lunch?
ding
dong
Yow
Whoop
skip
Wow, what a large puddle...
TREMBLE...
YOU'LL TAKE IT IN ONE JUMP?!
Phew

『How economic』
It's a little wet.
wipe wipe
Thanks.
Oh my.
Sayuri, some mushrooms have grown from this bench.
Wow, you're right.
...Don't eat them, okay, Senpai?
Goodness Sayuri, of course not.
This is a poisonous species, they're inedible
So if it wasn't poisonous, you'd eat them?!

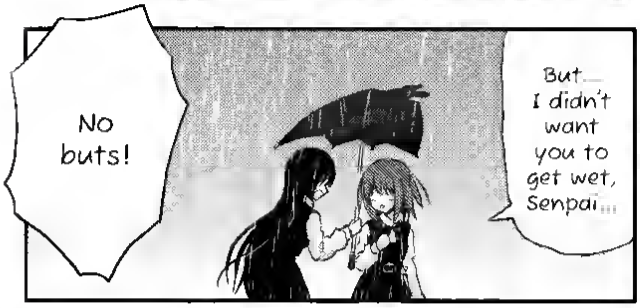
Oh my
『These are creepier』
They're monkey bananas. Here, have one.
Sayuri, those are cute bananas.
My, thank you.
crawl crawl
!!
Hm...?
This little snail-san is a lost child.
Sayuri, we have to find its shell.
SENPAI, THAT'S A SLUG!
KYAA! A S- S- S- S- S-...
Oh no!
CLATTER

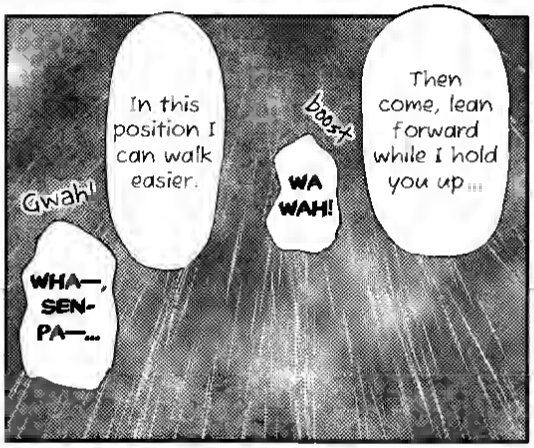
*koumori gasa is a Western-style umbrella, but koumori means bat

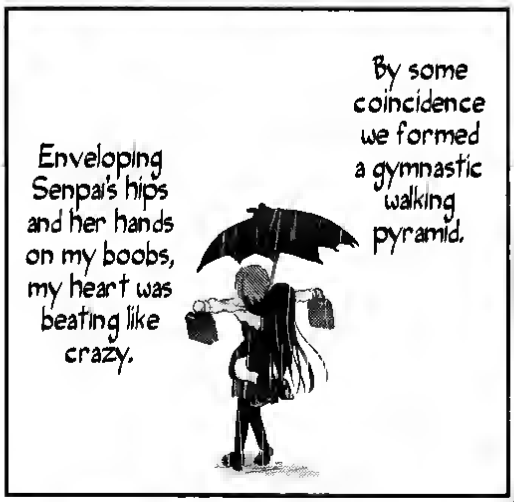




『The rain hitting my head cooled me down』







By some coincidence we formed a gymnastic walking pyramid.
Enveloping Senpai's hips and her hands on my boobs, my heart was beating like crazy.
